Mr. George E. Nutting, Librarian,
Wallace Library and Art Building,
Fitchburg, Mass.

Dear Sir:

Thank you for your courteous note of April 28th. Upon looking up the matter of the bill for \$1.50 for "Spanish Songs of Old California", I find that it was paid, as you say, by the Fitchburg City Treasurer on Jan. 3rd, 1925, and your account has been duly credited. Please pardon this oversight, which was caused by recent change in my clerical force.

Very truly yours,

Public Library
